### Psalm 19:1 (CEB)

*Heaven is declaring God's glory;*

*the sky is proclaiming his handiwork.*

Where have you seen God today?

As many of you know we recently took a few days and visited Taiwan with our family. Our son-in-law, Kent is from Taiwan, and he wanted to show us around his homeland. It was beautiful. An island about the physical size of Illinois but with twice the population.

We saw cities that were super crowded with one lane streets, and yet, people still managed it without any of the road rage we hear about in the U.S. We saw incredible mountains, and we snorkeled a couple of times in the beautiful South China Sea. Everywhere we went, we could not help but see God's incredible creation. We witnessed such powerful beauty!

But even though we were in this exotic location, we also witnessed God's creation in very normal ways. We witnessed God's creation in the laughs of our grandchildren as they played with, and laughed with the Taiwanese children, even though they all spoke a different language. We witnessed God's creation in the markets where the fishermen sold their fish, and you could clearly see how much they loved their work. We witnessed God's beautiful creation in the mountain hot springs and the crowded street markets. Over and over again, we saw God at work during our trip.

I wonder if we saw more of God's work because God was more present in Taiwan than he is here in the U.S.? Or maybe we were away from our normal routine, and it helped us see it better? I'm pretty sure God is just as much at work here in the U.S. as in the rest of the world. God is not limited by a place or a time, or even a circumstance. God is everywhere we are, all the time. We just needed a break from our daily lives to see God's work more clearly.

I think the challenge for all of us is to be more intentional about looking for God during our normal day-to-day routine. Let's take a minute this week to look, pray, and appreciate God's creation. It might just change our lives!

Peace to All,

*Mike*

BRING A DESSERT FOR THE  
"DESSERT" POTLUCK AND JOIN US  
AS WE BRAINSTORM ABOUT OUR  
FUTURE

What's this all about?

We completed a CAT survey before Pastor Mike joined us. At that time the congregation indicated areas to work on for our growth and future. Now it's time to get a plan and put into action ideas to accomplish our goals.

Come for dessert, listen to Pastor Mike's plan for growth and share your ideas!

Not into making dessert? That's ok, come anyway!

# MISSIONS

*Working Together to Share God's Love*

Our CUMC Missions Team coordinates ways for our entire congregation to spread God's love to our community and our world.

## Recent Missions:

We worked with our Confirmation Class to collect old t-shirts to make bags for Bidwell (a local food & clothing pantry). The class and Women of Grace cut and tied the shirts to make strong bags for those shopping at the pantry.

July 2025

A Caring Ministry of the Carlisle United Methodist Church

## Summer Fun!

Wow what a kickoff to summer! We've had a blast so far going on field trips, doing fun activities, and making so many new friends. To name a few, we have taken a trip to the Zoo, watched the new Lilo and Stitch movie, and took on Adventureland! We've also had lots of fun learning how to make a balloon dog, doing classroom crafts, and even having the kids tie dyeing their own personal towels. We can't wait to see what else summer has in store!

## What's New?

We're excited to announce that our classroom that was damaged during the heavy rainfall in May is almost completed! Once all done we will be excited to move things back in and utilize it again! We greatly appreciate all the hard work the Trustees, church members, drywall workers, and anyone else who helped clean up the room, move things, and getting it back to working conditions.

## Summer Reminders

1. Every Monday we go to the Library. Please have your children bring their library books every Monday so they are able to get new ones.
2. Make sure to check your child's classroom and cubby frequently. This helps keep their cubbies from getting clustered and from getting lost.
3. At the end of the week please make sure to take home your child's swim towels and swimsuits.

## Calendars

Please be sure to check your ABC calendars frequently. This has all our swim days, field trips, and events listed with the times we departure/start and return/finish. This will help you know when your child needs to bring their swim suit and when to wear their ABC field trip shirts. If you need a new one, no problem just stop in the office for a for one!
